Q14

What steps do you think the state and/or counties should take to ensure food security for all of Hawaii's people, and to significantly increase food self-sufficiency for our state?

Prison to farm programs, farmer apprentice programs, community gardens, more local products in stores

Q15

In 2019, Hawai'i made a commitment to adopt Vision Zero, an initiative to eliminate all traffic fatalities and severe injuries, while increasing safe, healthy, equitable mobility for all. What policies and infrastructure changes should the state and/or counties make to achieve this goal?

Lowering the over tourism numbers would definitely help. our infrastructure is not built for 10 million visitors annually.

Q16

Please indicate your position on the following policies:

We must significantly increase public investment in food systems workforce development, including programs such as farm to school, agriculture and food systems education (PreK-12 and higher education), and farmer training programs. **Strongly Support**

The state should continue to invest in a Double Up Food Bucks program, which doubles the value of SNAP benefits when buying fresh, locally grown produce at participating retailers. **Strongly Support**

Enact a one-cent per-ounce fee on sugar-sweetened beverages. **Support**

Use revenue from a sugar-sweetened beverage fee for obesity prevention programs. **Support**

Make health and physical education (PE) courses a curriculum requirement, rather than an option, for middle school students. PE is currently a requirement for elementary and high school students. **Strongly Support**

Implement a red light camera program to deter red-light running and help curb traffic fatalities and injuries. **Support**
