Q8

What steps do you think our state and/or counties should take to aid this recovery? Some examples could include how you think federal funds should be spent, diversifying the state's economy, etc.

Hawaii must diversify its Agriculture and Aquaculture industry and seek to improve its economy. A renewed or revised Resilience Plan for Hawaii to address a neww economy must be a priority.

Q9

Please share some of the efforts you have led or participated in response to COVID-19.

As the former Executive Director of Laiopua 2020, the completion of the Commercial Community Kitchen has led to the meal drives every Thursday afternoons to provide meals to North and South Kona families and Kupuna.

What policies do you think the state and/or counties should enact to reduce tobacco and e-cigarette use?

Q12

Please indicate your position on the following policies:

Apply a tobacco tax to e-cigarettes, such as a percentage of the wholesale cost or taxing e-liquid by volume. **Strongly Support**

Restrict online sales of e-cigarettes to tobacco retailers only, in order to curb illegal sales to minors. **Strongly Support**

Increase the tobacco tax on cigarettes to help smokers quit and prevent new users from starting. **Strongly Support**

Funds from the tobacco settlement and tobacco taxes should fund tobacco prevention and cessation efforts. **Support**

Q14

What steps do you think the state and/or counties should take to ensure food security for all of Hawaii's people, and to significantly increase food self-sufficiency for our state?

The State & Counties must ensure that food security and food self-sufficiency is a top legislative priority and legislate to provide Ag producers incentives to increase production output.

Q15

In 2019, Hawai'i made a commitment to adopt Vision Zero, an initiative to eliminate all traffic fatalities and severe injuries, while increasing safe, healthy, equitable mobility for all. What policies and infrastructure changes should the state and/or counties make to achieve this goal?

I have no comments at this time.

Q16

Please indicate your position on the following policies:

We must significantly increase public investment in food systems workforce development, including programs such as farm to school, agriculture and food systems education (PreK-12 and higher education), and farmer training programs. **Strongly Support**

The state should continue to invest in a Double Up Food Bucks program, which doubles the value of SNAP benefits when buying fresh, locally grown produce at participating retailers. **Strongly Support**

Enact a one-cent per-ounce fee on sugar-sweetened beverages. **Support**

Use revenue from a sugar-sweetened beverage fee for obesity prevention programs. **Support**

Make health and physical education (PE) courses a curriculum requirement, rather than an option, for middle school students. PE is currently a requirement for elementary and high school students. **Strongly Support**

Implement a red light camera program to deter red-light running and help curb traffic fatalities and injuries. **Support**
