Q8
What steps do you think our state and/or counties should take to aid this recovery? Some examples could include how you think federal funds should be spent, diversifying the state’s economy, etc.

The tourism industry has taken a huge loss in revenue because of COVID-19. We need to promote inter-island travel that will increase business in our county. We should also look more into agriculture so we can grow our own food and be sustainable. We have farmers with different products for locals and for export. Streamlining the building permits will provide jobs and some affordable homes for our families here in Hawai‘i County.

Q9
Please share some of the efforts you have led or participated in response to COVID-19.

So many people lost their jobs and need help. Some are having a hard time getting supplies to keep them safe and healthy. Our team has been doing community feedings that include face masks for those in need in different communities.

Q10
Additional thoughts/comments:

We need to create partnerships with private and non-profits to better serve our community.

Q11
What policies do you think the state and/or counties should enact to reduce tobacco and e-cigarette use?

Leave it the same as it is right now.
Q12
Please indicate your position on the following policies:

Apply a tobacco tax to e-cigarettes, such as a percentage of the wholesale cost or taxing e-liquid by volume.  
Oppose

Prohibit the sale of all flavored tobacco products, including menthol cigarettes and flavored e-liquids.  
Oppose

Restrict online sales of e-cigarettes to tobacco retailers only, in order to curb illegal sales to minors.  
Strongly Support

Increase the tobacco tax on cigarettes to help smokers quit and prevent new users from starting.  
Oppose

Funds from the tobacco settlement and tobacco taxes should fund tobacco prevention and cessation efforts.  
Support

Q13
Additional thoughts/comments:

We need educate our keiki better about smoking.

Q14
What steps do you think the state and/or counties should take to ensure food security for all of Hawaii’s people, and to significantly increase food self-sufficiency for our state?

Build partnerships with private and non-profit groups to become more sustainable with agriculture.

Q15
In 2019, Hawaii’i made a commitment to adopt Vision Zero, an initiative to eliminate all traffic fatalities and severe injuries, while increasing safe, healthy, equitable mobility for all. What policies and infrastructure changes should the state and/or counties make to achieve this goal?

Check on raodways and traffic patterns to see how we can make it safer for all
Q16
Please indicate your position on the following policies:

We must significantly increase public investment in food systems workforce development, including programs such as farm to school, agriculture and food systems education (PreK-12 and higher education), and farmer training programs.  
Strongly Support

The state should continue to invest in a Double Up Food Bucks program, which doubles the value of SNAP benefits when buying fresh, locally grown produce at participating retailers.  
Strongly Support

Enact a one-cent per-ounce fee on sugar-sweetened beverages.  
Oppose

Use revenue from a sugar-sweetened beverage fee for obesity prevention programs.  
Oppose

Make health and physical education (PE) courses a curriculum requirement, rather than an option, for middle school students. PE is currently a requirement for elementary and high school students.  
Strongly Support

Implement a red light camera program to deter red-light running and help curb traffic fatalities and injuries.  
Strongly Support

Q17
Additional thoughts/comments:

Physical education is important for healthy living.
