Page 2: COVID-19 Response and Recovery

Q8

What steps do you think our state and/or counties should take to aid this recovery? Some examples could include how you think federal funds should be spent, diversifying the state's economy, etc.

Some of the budgets in the county policies could be diverted to our island farmers and small businesses to stay afloat.

Q9

Please share some of the efforts you have led or participated in response to COVID-19.

Positive 5 steps protocol

Q10

Additional thoughts/comments:

I feel if the state appoints a ways and means board for every island to track and implement quarantine we as a county can see opening up to tourists once again.

Page 3: Tobacco and E-Cigarette Regulations

Q11

What policies do you think the state and/or counties should enact to reduce tobacco and e-cigarette use?

I believe that this is a subject based on each individual own aspect of living healthy, when reminded or constantly being told not to do it, only makes them want to do it more, regardless

Q12

Please indicate your position on the following policies:

- | | |
|---|-------------------------|
| Apply a tobacco tax to e-cigarettes, such as a percentage of the wholesale cost or taxing e-liquid by volume. | Oppose |
| Prohibit the sale of all flavored tobacco products, including menthol cigarettes and flavored e-liquids. | Oppose |
| Restrict online sales of e-cigarettes to tobacco retailers only, in order to curb illegal sales to minors. | Support |
| Increase the tobacco tax on cigarettes to help smokers quit and prevent new users from starting. | Oppose |
| Funds from the tobacco settlement and tobacco taxes should fund tobacco prevention and cessation efforts. | Strongly Support |

Q14

What steps do you think the state and/or counties should take to ensure food security for all of Hawaii's people, and to significantly increase food self-sufficiency for our state?

If you give them a small piece of land they will be able to sustainably be self sufficient

Q15

In 2019, Hawai'i made a commitment to adopt Vision Zero, an initiative to eliminate all traffic fatalities and severe injuries, while increasing safe, healthy, equitable mobility for all. What policies and infrastructure changes should the state and/or counties make to achieve this goal?

Placing sidewalks in every traffic area, yield sign, and speed bumps in all areas

Q16

Please indicate your position on the following policies:

We must significantly increase public investment in food systems workforce development, including programs such as farm to school, agriculture and food systems education (PreK-12 and higher education), and farmer training programs. **Strongly Support**

The state should continue to invest in a Double Up Food Bucks program, which doubles the value of SNAP benefits when buying fresh, locally grown produce at participating retailers. **Strongly Support**

Enact a one-cent per-ounce fee on sugar-sweetened beverages. **Oppose**

Use revenue from a sugar-sweetened beverage fee for obesity prevention programs. **Strongly Support**

Make health and physical education (PE) courses a curriculum requirement, rather than an option, for middle school students. PE is currently a requirement for elementary and high school students. **Strongly Support**

Implement a red light camera program to deter red-light running and help curb traffic fatalities and injuries. **Strongly Support**
