Q8

What steps do you think our state and/or counties should take to aid this recovery? Some examples could include how you think federal funds should be spent, diversifying the state's economy, etc.

1. Establish testing, trace, and treatment programs that will allow economic activity to safely restart.
 2. Promote diversification into non-tourism related industries.
 3. Look to north shore Kauai's recovery efforts after the April, 2018 storms as a statewide model for community-based sustainable economic recovery.

Please share some of the efforts you have led or participated in response to COVID-19.

As Prosecuting Attorney I worked to make Kauai the only county which safely reduced its inmate population to a level that allowed for proper social distancing and hygiene at the jail.

Additional thoughts/comments:

I'm proud to serve as President of the Kauai Rural Health Association. Public health and public safety go hand in hand.
