Show Aloha, WEAR A MASK.

The 5 W's of wearing a face covering to prevent the spread of COVID-19

**WHO should wear a mask?**
Everyone, except those under 2 years of age, or with medical conditions that prevents them from wearing one.

**WHAT type of mask should one wear?**
A cloth or non-medical surgical mask is ideal in order to prevent any shortages of personal protective equipment for healthcare workers.

**WHERE should one's mask cover?**
The mask should fit snugly and fully cover your nose and mouth in order to be effective!

**WHEN should one wear a mask?**
Anytime you may interact with people outside of your household, such as using public transport, buying groceries, or eating out.

**WHY are masks necessary?**
To protect each other, especially our kupuna! A mask can help trap and block droplets from an infected person.

Visit hphi.org/covid19 for state and county information on COVID-19 safety.
