

# Keeping Our Kūpuna SAFE

*Getting vaccinated is one way kūpuna can protect themselves and others from the spread of COVID-19.*

Kūpuna 75 and older can **schedule an appointment** to receive the COVID-19 vaccine. Please visit the DOH website below on how to register. Support is coming for those who don't have internet access.

**Authorized by the FDA**, the vaccines being administered have gone through the same safety tests and standards as other vaccines.

The **vaccine is free**. The opportunity to get vaccinated is not dependent on financial status.

There will be **enough vaccine** to get everyone vaccinated. Please be patient if you are not able to get an appointment right away.

Call the Hawai'i State Department of Health at **(808) 586-8332** or **(800) 933-4832** toll free
