Page 9: Tobacco Regulations

**Q13**

Regulating e-cigarettes in the same manner as how the State regulates other tobacco products, through tax parity, licensing and permitting requirements, and restricting online sales to licensed sellers only, and not directly to consumers.

---

**Q21**

Additional thoughts/comments:

We need more fresh hamburger meals to be served at schools like spaghetti, chili, tacos, burritos, etc. That burger needs to come from our Hawaii Ranchers purchased by the DOE. This would create an alternative in our Ag economy to diversify off of tourism.

Additional thoughts/comments

If we forgive dentist on their loans for caring for our Kupuna, then every college degree who helps Kupuna should qualify for this opportunity.
