Additional thoughts/comments:

Page 9: Tobacco Regulations

Q13

Regulating e-cigarettes in the same manner as how the State regulates other tobacco products, through tax parity, licensing and permitting requirements, and restricting online sales to licensed sellers only, and not directly to consumers.

Position: **Support**

Q14

Ending, without exception, the sale of all tobacco products, such as cigarettes, cigars and e-cigarettes, that contain a characterizing flavor, such as menthol, fruit flavors, and candy flavors.

Position: **Support**

Q15

Authorizing counties to enact stricter restrictions on the sale of and access to tobacco products than what is provided at the state level.

Position: **Support**

Q17

Setting Safe Routes to School (SRTS) program benchmarks and decreasing barriers to SRTS programming through the creation of an SRTS Advisory Council within the Department of Transportation.

Position: **Support**

Q18

Enacting a 2 cent-per-ounce fee on sugar-sweetened beverages and using the revenue for community-driven health initiatives.

Position: **Support**

Q19

Ensuring that every student in Hawai'i at every grade level (PreK-12) has regular access to comprehensive agricultural and nutrition education programs linked to core curriculum (e.g. science, math, language arts).

Position: **Support**

Q20

Increasing state investment for implementation of the Hawai'i Farm to School Program (Act 175, 2021), including meeting the goal of 30% local school food within the Hawai'i Department of Education by 2030.

Q26

Establishing a certification process for Community Health Workers.

Position: **Support**

Q27

Establishing a licensing process for Community Health Workers.

Position: **Support**

Q28

Incorporating Community Health Workers as a profession into Medicaid services and contracts with the State of Hawai'i.

Position: **Support**

Q29

Additional thoughts/comments

As long as this does not prohibit non-commercial help and services, nor deny continuance of existing, experienced home health aides because they don't have a certificate.

Page 13: Alcohol & Cannabis Regulations

Q30

Lowering the blood alcohol concentration (BAC) for impaired driving from .08 to .05 BAC.

Position **Support**

Q31

Enacting a dime-per-drink fee on alcoholic beverages and using the revenue for community-driven health initiatives.

Position **Support**

Q32

Housing the regulatory structure of any legalized recreational cannabis program under Department of Health, rather than other agencies, such as the Department of Taxation.

Position **Oppose**

Q33

Additional thoughts/comments

Alcohol is at least as problematic as cannabis. If department of health does manage alcohol; why cannabis? In general, I am reluctant to set up new tax programs, however drinking does impact health.
