Q13

Respondent skipped this question

Regulating e-cigarettes in the same manner as how the State regulates other tobacco products, through tax parity, licensing and permitting requirements, and restricting online sales to licensed sellers only, and not directly to consumers.

Q14

Ending, without exception, the sale of all tobacco products, such as cigarettes, cigars and e-cigarettes, that contain a characterizing flavor, such as menthol, fruit flavors, and candy flavors.

Position:

Oppose

Q15

Respondent skipped this question

Authorizing counties to enact stricter restrictions on the sale of and access to tobacco products than what is provided at the state level.

Q17

Setting Safe Routes to School (SRTS) program benchmarks and decreasing barriers to SRTS programming through the creation of an SRTS Advisory Council within the Department of Transportation.

Position:

Strongly Support

Q18

Enacting a 2 cent-per-ounce fee on sugar-sweetened beverages and using the revenue for community-driven health initiatives.

Position:

Oppose

Q19

Ensuring that every student in Hawai'i at every grade level (PreK-12) has regular access to comprehensive agricultural and nutrition education programs linked to core curriculum (e.g. science, math, language arts).

Position:

Oppose

Q20

Increasing state investment for implementation of the Hawai'i Farm to School Program (Act 175, 2021), including meeting the goal of 30% local school food within the Hawai'i Department of Education by 2030.

Position: **Strongly Oppose**

Q21

Additional thoughts/comments:

Regular access to ag and nutritional programs does not include math, lang. arts, or science. It should include Agriculture, cooking, physical education etc.

Farm to School shouldnt take another 8 years to implement. This program shouldve been done years ago and it should take no longer than two years to implement this program
