Page 9: Tobacco Regulations

Q13

Regulating e-cigarettes in the same manner as how the State regulates other tobacco products, through tax parity, licensing and permitting requirements, and restricting online sales to licensed sellers only, and not directly to consumers.

Position: **Strongly Support**

Q14

Ending, without exception, the sale of all tobacco products, such as cigarettes, cigars and e-cigarettes, that contain a characterizing flavor, such as menthol, fruit flavors, and candy flavors.

Position: **Strongly Support**

Q15

Authorizing counties to enact stricter restrictions on the sale of and access to tobacco products than what is provided at the state level.

Position: **Support**

Page 10: Healthy Eating and Active Living

Q17

Setting Safe Routes to School (SRTS) program benchmarks and decreasing barriers to SRTS programming through the creation of an SRTS Advisory Council within the Department of Transportation.

Position: **Strongly Support**

Q18

Enacting a 2 cent-per-ounce fee on sugar-sweetened beverages and using the revenue for community-driven health initiatives.

Position: **Strongly Support**

Q19

Ensuring that every student in Hawai'i at every grade level (PreK-12) has regular access to comprehensive agricultural and nutrition education programs linked to core curriculum (e.g. science, math, language arts).

Position: **Strongly Support**

Q20

Increasing state investment for implementation of the Hawai'i Farm to School Program (Act 175, 2021), including meeting the goal of 30% local school food within the Hawai'i Department of Education by 2030.

Position: **Strongly Support**

Q21

Additional thoughts/comments:

I think the Department of Education should cancel all mainland food contracts they have, our children should be learning their core curriculum from nature, animals, gardening and through comprehensive Agriculture like you have listed above. The breakfast and lunch provided at schools should be addressed immediately. If we are trying to promote healthy eating and living the schools are a critical part of achieving this. Locally sourced and school grown food should be feeding our children.

Page 12: Community Health Workforce Development

Q26

Establishing a certification process for Community Health Workers.

Position: **Strongly Support**

Q27

Establishing a licensing process for Community Health Workers.

Position: **Strongly Support**

Q28

Incorporating Community Health Workers as a profession into Medicaid services and contracts with the State of Hawai'i.

Position: **Strongly Support**

Q29

Additional thoughts/comments

There should also be a requirement of continuing education credits to keep any license active and regular background checks and audits to ensure these Health workers are accountable for the positions they are given.

Page 13: Alcohol & Cannabis Regulations

Q30

Lowering the blood alcohol concentration (BAC) for impaired driving from .08 to .05 BAC.

Position **Oppose**

Q31

Enacting a dime-per-drink fee on alcoholic beverages and using the revenue for community-driven health initiatives.

Position **Oppose**

Q32

Housing the regulatory structure of any legalized recreational cannabis program under Department of Health, rather than other agencies, such as the Department of Taxation.

Position **Support**
