Additional thoughts/comments:

I fully support HIPHI's work and would welcome future opportunities to partner together to meet the needs of Oahu's residents. As a planner with the City's Department of Community Services, I have worked in collaboration with the Elderly Affairs Division and HIPHI to increase food access for our kupuna. The COVID-19 pandemic has made it abundantly clear that the City must also be involved in and support public health conversations.

Additional thoughts/comments

As the prior Policy and Fiscal Director for Councilmember Tommy Waters, I worked on proposed legislation to return regulating power to the Counties that was part of the Hawaii State Association of Counties' legislative package. I believe the Counties should be equipped to respond to the alarming electronic cigarette addiction rates amongst our youth by regulating tobacco and smoking-related products.
