Q9
Allocating funds and other resources to improve access to, quality of, and coverage for home-and-community-based services that support aging in place among older adults.

Position **Strongly Support**

Q10
Allocating funds and other resources to bolster the capacity of kūpuna-serving programs/organizations by increasing workforce training, education, certification, and career development opportunities.

Position **Strongly Support**

Q11
Providing/increasing tax credits for out-of-pocket caring costs for unpaid family caregivers of kūpuna and/or those with disabilities.

Position **Strongly Support**

Q12
Additional thoughts/comments:

With regard to paid family leave I prefer 24 weeks pass critical infant mortality period.

Page 9: Tobacco Regulations

Q13

Regulating e-cigarettes in the same manner as how the State regulates other tobacco products, through tax parity, licensing and permitting requirements, and restricting online sales to licensed sellers only, and not directly to consumers.

Position: **Strongly Support**

Q14

Ending, without exception, the sale of all tobacco products, such as cigarettes, cigars and e-cigarettes, that contain a characterizing flavor, such as menthol, fruit flavors, and candy flavors.

Position: **Strongly Support**

Q15

Authorizing counties to enact stricter restrictions on the sale of and access to tobacco products than what is provided at the state level.

Position: **Strongly Support**

Q16

Additional thoughts/comments

As an educator even elementary & middle school student are attracted to the sugar, taste and smell enhancement

Page 10: Healthy Eating and Active Living

Q17

Setting Safe Routes to School (SRTS) program benchmarks and decreasing barriers to SRTS programming through the creation of an SRTS Advisory Council within the Department of Transportation.

Position: **Strongly Support**

Q18

Enacting a 2 cent-per-ounce fee on sugar-sweetened beverages and using the revenue for community-driven health initiatives.

Position: **Strongly Support**

Q19

Ensuring that every student in Hawai'i at every grade level (PreK-12) has regular access to comprehensive agricultural and nutrition education programs linked to core curriculum (e.g. science, math, language arts).

Position: **Strongly Support**

Q20

Increasing state investment for implementation of the Hawai'i Farm to School Program (Act 175, 2021), including meeting the goal of 30% local school food within the Hawai'i Department of Education by 2030.

Position: **Strongly Support**

Q21

Additional thoughts/comments:

Our student are starting to prefer water which say our education programs are working but create completions which use rap or music and then you got them

Page 11: Oral Health

Q22

Investing in dental workforce education programs on Neighbor Islands.

Position: **Strongly Support**

Q23

Allocating funds to the Department of Health to restore an Oral Health Division.

Position: **Strongly Support**

Q24

Respondent skipped this question

Expanding student loan forgiveness for dentists that provide care to Medicaid patients.

Q25

Additional thoughts/comments

Children start brushing their own teeth at 4 or 5 this is when incentive programs attached to percentage discount should be proactive to dental hygiene

Page 12: Community Health Workforce Development

Q26

Establishing a certification process for Community Health Workers.

Position: **Strongly Support**

Q27

Establishing a licensing process for Community Health Workers.

Position: **Strongly Support**
